**CASH IN ON
PAID WORK EXPERIENCE**

If you're between 16 and 19 and interested in the skilled trades, Workit Youth Apprenticeship is for you.

You can start working in one of Nova Scotia's designated trades, training toward your certification and earning good money before you even graduate high school.

Check out the Workit website for more information about opportunities waiting for you.

www.workitns.ca

“Even though I easily could have gone to university, I chose a career in the skilled trades because I enjoy construction. I’m happy to be able to start working in my chosen field while I continue my training.”

William Warton, Youth Apprentice, Carpentry
